### **Operationalization of Checkout Mechanism on a manual basis**

- 1) From the total level-wise first-year target of the States/UTs, the KIAs would be permitted to mobilize the trainees through their respective TPs and firm up the batches.
- 2) The KIAs would be allowed to launch the training on first-cum-first serve basis.
- 3) Once the trainees have been mobilized and KIAs have the assurance of TPs firming up batches, KIAs would be allowed to check-out seats in respect of each state/UT.
- 4) A check-out sheet indicating the level-wise, State/UT-wise targets / available seats as per **Annexure** would be made available to the KIAs by the PMU.
- 5) Each KIA would then fill up the relevant batch details in the check-out sheet and would send the updated checkout request sheet on each Monday / Tuesday to Principal Consultant, ESDM PMU ([pr.consultant@nielit.gov.in](mailto:pr.consultant@nielit.gov.in)). **Any request received after 6.00 PM on Tuesday would be considered in the next week.**
- 6) The PMU would vet the check-out requirements of all KIAs against available vacancies at each level and allocate/reject the same on first-cum-first serve basis. **PMU would inform about the allocation of batches to all KIAs by 12 Noon on every Thursday.** PMU would also intimate the available vacancies for check-out for subsequent week.
- 7) The PMU would allocate batch numbers manually to the approved batches for monitoring of each batch.
- 8) The KIAs would then intimate their respective TPs about acceptance/rejection of requested batches
- 9) **The KIAs, through their respective TPs, should commence the approved batches latest by Fridays of subsequent week from approval.**
- 10) As a confirmation for starting the course, the Training partner would be required to transfer the assessment fee for the batch to the respective KIA within 5 working days of starting of the training of the batch, as per Scheme Guidelines
- 11) All the KIAs would need to inform PMU, latest by 12 Noon on each Friday, intimating confirmation of starting of the batch that was approved by PMU (2-weeks earlier), failing which the allotment of batch(es) would be considered to be surrendered and the seats allotted seats would return back into the main vacancy pool for allotment to others.
- 12) The process of batch registration would be as per the existing process of the portal [www.esdm-skill.deity.gov.in](http://www.esdm-skill.deity.gov.in)
